#### Professor Wei SHYY

Distinguished guests, graduates, parents, friends, and colleagues,

I warmly welcome you to this year's Congregation — an extra special celebration where we can meet face to face once again as well as for the first time at this spectacular Shaw Auditorium, a new campus landmark for our 30th anniversary that celebrates HKUST's creativity and vitalizing spirit. I also extend joyful greetings to graduates who are sharing the occasion with us virtually. Class of 2021, I congratulate you all on your achievements amid unprecedented times.

The pandemic has not only tested our adaptability to change and uncertainty, but also served as a powerful wake-up call for all inhabitants of Planet Earth to come together to address a growing list of critical challenges, ranging from public health to climate change and environmental degradation. We are reminded, now more than ever, to learn, to invent, and to be open-minded. As global citizens, we need to take collective action in building a sustainable future that we commonly share, with an innovative spirit, sensitivity to equality, respect for diversity, empathy for the underprivileged, and do so with passion and determination.

We are now immersed in a world filled with international and social divides, along with hard choices between growth and conservation, technological innovation versus individual rights and options, and the irony of open, abundant information challenging rational judgment. The education, training, and insights you received at HKUST have helped you lay a firm foundation from which you are now ready to inspire and engage with other people to truly contribute to the world. Embrace challenges, exercise discretion and independent judgment when faced with unforeseeable events in life. And always, remain resilient.

Graduates, I am so very proud of you. Your ability to thrive and grow in both good and tough times over the past few years has provided a tremendous example for future generations of HKUST students. As you start a new chapter in life, please stay connected with your alma mater, a place that you are proud to call home; a connected community that promotes humanity; and a supportive family that offers optimism.

Believe in yourself, fly high, and may success be with you.

On behalf of all faculty and staff of HKUST Business School, may I extend our warmest welcome to you all, and our heartiest congratulations to the Class of 2021!

Today is a special day for all of us, not only we can celebrate the significant milestone and momentous achievement of our graduates, but also we can get together, right at our new landmark - the Shaw Auditorium that just unveiled this month. After what have happened in the past two years, and still continuing today, our graduates have worked hard to earn this joyous moment through dedication and resilience.

Class of 2021, your cohort has witnessed the world that has turned upside down and changed forever.

#### Bernard KWOK Chin Hang

Master of Business Administration

Friends, family, distinguished guests, faculty, program staff, and class of 2021 graduates, my name is Bernard Kwok, I am honored to deliver this commencement speech to you today.

A wise guru once told me: "Change begins at the end of your comfort zone." When we first set foot on this beautiful campus, many of us may not have known what the MBA would bring us, but one element thing was certain - we wanted change. Driven by our passions, interests, and curiosity to learn more, we committed ourselves to a journey that would change our course for the rest of our lives.

One could argue that our MBA cohort began in one of the most unconventional years ever. From the local social incidents to a global pandemic, we proved to ourselves and to each other how understanding, resilient, and adaptable we are. The experiences we have gone through together not only unified us, but strengthened us with wisdom that we can apply as leaders of tomorrow. I want all graduates to know how proud they can be of themselves, to have accomplished so much in such a short time.

We came as strangers, but leave as colleagues, friends and even lovers. As we embark on the next chapter of our lives, remember that no challenge is too great, and no mountain is too high. We have been equipped with a new set of tools, a fresh set of perspectives, a diverse network of connections and a renewed passion for greatness. Never underestimate your strengths, and never overstimulate your weaknesses. You leave here today as changemakers, as leaders, and as HKUST MBA graduates, ready to make an impact in any venture you pursue.

On behalf of all graduates I would like to thank HKUST, the faculty, and the MBA office for their time and dedication to us and the program. November 27, 2021, Clearwater Bay, Hong Kong, HKUST MBA Class of 2021, are you ready?

Thank you.

#### 郭展衡

工商管理碩士

各位摯友、家屬、嘉賓、教授和教職員:

大家好,我是Bernard Kwok郭展衡,很榮幸能代表 2021年度全日制工商管理碩士課程畢業生,發表 畢業演講辭。

有位智者曾告訴我:「改變是從舒適圈的盡頭開 始。」當初步入這個美麗校園時,相信有許多同 學都未知這個工商管理課程會帶給我們什麼,但 肯定的是,我們都想作出改變。在熱情、興趣和 好奇心的驅使下,我們踏上了改變人生的旅程。

有人認為,本屆 MBA 是有史以來最特別的一年, 期間經歷了社會事件及全球新冠疫情;但卻讓我 們學會諒解、忍耐和適應。這些經歷不僅使我們 團結,也鍛鍊出未來領袖應有的睿智。在座所有 畢業同學都應該感到自豪,因為大家在短短的時 間內取得如此豐盛的成就。

我們以陌生人身份來到這裡,離開時已成為同 事、朋友甚至戀人。當大家揭開人生下一個篇章 時,請謹記沒有什麼挑戰克服不了,也沒有什麼 高山是攀不過的。別低估自己的能力,也不要放 大自己的弱點。畢業標誌着一個階段的結束,也 是另一個階段的開始。今天我們以創變者、領袖 及香港科技大學MBA畢業生的身份離開,立下志 向在未來的發展上發揮影響力。

我謹代表所有畢業生,感謝學校、教職員工及 MBA辦公室為我們付出的時間和作出的奉獻。 2021年11月27日,香港清水灣,科大2021屆MBA 畢業生,你們準備好了嗎?

謝謝各位。

#### Justin LAI Kai Ching

Bachelor of Business Administration in Professional Accounting

Distinguished Guests, Ladies and Gentlemen,

It is my great pleasure to deliver this speech on behalf of my fellow honorary graduates from the Class of 2021.

I still remember on the night before the first day of my freshmen year, I was excited but somehow worried about what lay ahead of me. I have been dreaming of making a positive change in my life and discovering my true self. Finally, I've done it during my college days! Despite all the ups and downs, I am grateful that I have overcome a lot of challenges during this period, while knowing who I want to become and how to make a positive impact on people around me. The can-do spirit, problem-solving skills and growth mindset I acquired during the exciting academic journey at HKUST helped me a lot in going through these hardships.

One of my most respected professors here at HKUST has advised me to "keep hope alive", which is particularly true in today's fast-changing and ever-challenging world. Like many people, I have concerns about my career path because of all the unexpected events in recent years, but I'm proud to say that at HKUST, we have learned to become a "persistent warrior" in our life. While we might feel frustrated by the difficulties and setbacks we encountered, all these will not drag

us down. By practicing self-reflection, staying agile and achieving a positive mindset, we will be able to brave out future challenges. In fact, every challenge can be a valuable learning experience with key takeaways and interesting stories to tell.

Congratulations to us! We've done it!

There is a saying that "every story has an end, but in life, every ending is just a new beginning." From today onwards, we will start a new chapter in life. I wish you all the best of luck and happiness in your future endeavors. Thank you!

各位來賓、女士們及先生們:

很高興能代表2021年畢業生發表這篇演講。

還記得在我進入大學的前一晚,心情很興奮,但 也對未來面對的一切憂心忡忡。我一直渴望為 人生作出積極的改變,同時發掘真正的自己。最 後,我在大學期間做到了!儘管過程中充滿高 低起伏,但值得感恩的是,我成功克服了很多挑 戰,更明白到自己想成為怎樣的人,以及如何對 身邊的人發揮正面影響。在科大這個精彩的學習 旅程中,我學到了積極進取的精神、解決問題的 技巧和成長的心態,這一切都有助我渡過困難。

這裏其中一位我最尊敬的教授,曾勉勵我「常存 希望 | , 尤其在現今這個瞬息萬變、充滿挑戰 的世界。這幾年我們身邊發生了很多意想不到的 事,我像很多人一樣,對自己的職途都存有顧 慮。但我可以很自豪地說,在科大我們學會如何 成為百折不撓的「生命戰士」。困難和挫折或許會 使我們感到沮喪,但卻無法把我們擊倒。憑藉自 我反思、靈活應變和積極進取的心態,我們敢於 面對未來的挑戰。事實上,每個挑戰都是寶貴的 一課,讓我們得到智慧,亦能發掘有趣的故事。

恭喜各位,我們終於做到了!

諺語有云:「每個故事都有結局,但在人生中,

每個結局都是新的開始。|從今天起,我們將揭 開人生中的新一頁。祝願各位在未來事事順利、 快樂無憂。謝謝!

#### Gillian Sero DEL MUNDO

Bachelor of Business Administration in Global Business & Economics

Distinguished Guests, Ladies and Gentlemen,

On our first day at HKUST, we heard what define our school life: dare to dream. It sounds simple enough, but more complicated than we think.

What do we really dare to dream about? Are we dreaming for what we want or just limiting our dreams according to the expectations set for us? Now, after four years, this motto means something completely different. It reflects our challenging journey in finding out who we are and what we want. Sometimes, this does not fit the norms set by the society, which make us feel lost and stressed, and lack courage to be who we truly want to be.

We all have gone through the same experience. We thought we were alone, but we weren't. If we knew initially that all of us had different but similar challenges, we could have better helped each other to achieve success.

We should start encouraging dreams outside the norm, not only fostering business leaders, bankers and consultants, but also growing future artists, creators and teachers. We should nurture people's untapped potential by leveraging the boundless opportunities at the university and help them pursue their own success. Instead of looking for heroes under famous names or accolades, we

should focus on people who were timid but now dare to take a leap of faith.

Yesterday I was a student, but at this moment, as we graduate and bring our experiences to the outside world, we also bring something else with us - more clarity, more perspective. And most of all, we bring hope, not just to ourselves, but also to those who will stand on this podium just a few years later.

Thanks to HKUST for the wonderful journey of growth and discovery, and congratulations to Class of 2021! Today marks a new chapter in our life. Let's demonstrate to everybody we absolutely dare to dream! Thank you.

#### 姚吉麗

工商管理學士 (環球商業管理及經濟學)

各位尊敬的來賓、先生及女士:

來到香港科技大學的第一天,我們聞說大學生活 的意義是:敢於造夢。說來簡單,實際上卻比想 像中更複雜。

我們敢於追求的是什麼?是真正夢寐以求的目 標,還是只去滿足為我們設定了的期望?四年後 的今天,這個座右銘包含著不同意義。它見證著 充滿挑戰的旅途,記錄著我們努力探索自我和發 掘自己想要的東西。這未必符合社會規範,因而 使我們感到迷惘、憂慮,甚至缺乏勇氣成為真正 想做的人。

相信大家都有同樣經歷,以為自己很孤單,但其 實不然。如果一開始就知道我們將面臨大同小 異的挑戰,大家或能做得更好,互相幫助邁向成 功。

我們應鼓勵被視為天馬行空的夢想,不僅要培養 未來的商業領袖、銀行家和分析師,還要栽培未 來的藝術家、創作者和教師。我們應善用大學的 無限機遇,發掘同學們還未開發的潛力,追求屬 於自己的成功。我們除要尋找舉世聞名的英雄, 更要關心那些曾經膽怯但現在敢於起飛的人。

昨天我還是一名學生,但此刻我們畢業了,並把 經驗帶到外面的世界 —— 同時攜著清晰思維和遠 大目光。最重要是,我們不僅為自己帶來希望, 也為幾年後同樣站在這個台上的人帶來曙光。

感謝香港科技大學讓我們踏上精彩的成長和探索 之旅,祝賀2021年的畢業生!今天標誌著生命的 新篇章,就讓我們向所有人證明,我們絕對敢於 追夢!謝謝!

#### Charlotte HO Hiu Yan

Bachelor of Business Administration in Global Business & Finance

Distinguished Guests, Ladies and Gentlemen,

I still remember on the very first day, some of my seniors told me that "UST" stands for "university of stress and tension". They were not kidding! While we tried to get as much knowledge as we can during the four years in school, we have been pulling late nights to finish assignments due in the next morning, and having five presentations or final examinations in the same week. There were also desperate moments when we spared no effort in getting good grades to stay above the mean, but just to get a C range for our final grades.

It has been hard and hectic...

But I would do it all over again in a heartbeat. You see, despite all the hardship we faced, we at UST never have to face it alone!

Remember the captivating stories we learned from our professors and faculty staff. The experience they shared gave us a glimpse of what our future could be.

Remember the hackathons and case competitions we accomplished with our teammates - everyone in the atrium pulled their efforts together to figure out the best recommendations that wowed the judges after hours of brainstorming.

Remember all the nights when you and your friends studied together at the learning commons, sneaking snacks into the room and trying not to get discovered by the security; or when living in halls, you could just spontaneously go to the seafront for drinks and "tong sui" late at night, chatting with each other till the sun came up, yet still able to claw your way back to the morning class.

The future is always unknown - technology advances, life changes, but what keeps us going to cope with all these uncertainties is the lasting friendship we have cultivated during the campus days here. Anything we achieved here at UST, we will continue to achieve anywhere.

Thank you.

#### 何曉欣

工商管理學士 (環球商業管理及金融學)

各位尊貴來賓,各位先生、女士:

還記得我第一天來到科技大學的時候,其中一位 學長跟我說:「科技大學的英文縮寫 UST 其實代 表壓力 (Stress) 和緊張 (Tension) 才是啦。 | 我起初 還以為是說笑,後來才知道這是真的!

四年來我們用盡一切方法,把海量知識牢牢記入 腦海。我們試過不眠不休,為的是趕好明天早上 要交的功課,也試過一星期內要做好五次簡報演 示或應付期末考試。我們感受過無論用盡多少努 力,但平均分還是僅僅的拿到C級的絕望。

每天都是充满壓力和緊張…

然而若一切可以重來,我還是會選擇重來一次。 因為無論壓力多大,我們在科技大學從來不是孤 軍作戰的。

還記得教授和教職員們無私分享他們的經驗,讓 我們可以預見自己的未來。

還記得我們與戰友一起完成黑客松和商業案例比 賽。大家在賽馬會大堂內絞盡腦汁,齊心協力去 完成足以讓評判讚嘆不已的方案。

還記得深宵夜半,我們和朋友在綜合研習坊一起 温習;避開保安的發現,偷偷把零食運進房中。 我們住宿舍的時候,深夜時分可以和同學們跑到 海邊,吹着海風,喝着酒,通宵達旦高談闊論。 直到太陽升起,我們又能夠拖着疲倦的身軀,跑 進課室上課....

未來總是未知的:科技不斷進步,人生不斷變 化。但支持我們繼續勇往直前的,是在大學時期 孕育了的真摯友誼。過往如是,將來也如是,我 們一定做得到。謝謝!

#### Benjamin CHU Man Hei

Bachelor of Business Administration in Global Business & Marketing

Good afternoon distinguished guests, teachers and fellow schoolmates.

My name is Benjamin. It's my great honor to speak to you today.

This is the moment of truth and the moment of proof. No more worrying about the examinations we have taken because what matters most are the lessons we have learned. I would like to take this chance to share the three most valuable insights I have learned in the last four years at HKUST.

Firstly, always live in gratitude.

Thanks to our peers who have made the days easier and the nights less lonely. Thanks to our teachers who have given us continued guidance and endless support. Most important, thanks to our dearest parents who are always our superheroes. Your love throughout the years has become the foundation of everything that follows.

Secondly, embrace who we are and keep on shining.

Our major does not determine our career. Let the passion lead the way, and do it our way. There's nothing wrong with dreaming big and there can be millions of ways to make our life successful. The reality is we all thrive not only by performance, but also by confidence. With the right attitude, we will reach a higher altitude.

Thirdly, together we can build a better future.

Fellow graduates, please look at the people around. They may be ones you don't necessarily know, but ones you have always been living together in the territory, and ones you can join hands with to create a brighter future.

We will never know what's going to happen, but we can be the ones to make good things happen. Tomorrow is truly in our hands. Let's grow the four-year experience at HKUST into lifelong confidence and excellence together.

Congratulations to the Class of 2021! Happy 30th Anniversary to HKUST! Thank you.

#### 朱文熙

工商管理學士 (環球商業管理及市場學)

各位來賓、師長及畢業同學,午安。

我是朱文熙。今天很榮幸能與大家分享感受。

現在就是印證事實的時候!我們毋須再為考試而 擔憂,因為更重要是我們從中汲取的智慧。希望 藉著這個機會,與大家分享過去四年,我在大學 時期領略的三大啟示。

第一,要常存感恩。

感謝我們的同學,使我們的日子變得輕鬆,夜間 從不孤單;感謝我們的老師,給予我們源源不絕 的指導及無窮無盡的支持。最重要當然是感謝我 們親愛的父母,他們都是超級英雄,多年來以永 不止息的爱成就了我們今天的一切。

第二, 勇於接受和擁抱自己, 持續發光發亮。

別讓主修科目決定我們的職業。就讓熱情引導我 們,以自己的方式實踐目標。擁有遠大夢想是無 可厚非的,因為成功的定義不止一個。事實上, 我們能夠脱穎而出不僅是靠表現,同時亦靠我們 的自信。有正確的態度,自然能攀登新的高度。

第三,團結一致就能創造更好明天。

各位親愛的畢業同學,請看看身邊每個人。他們 或許與你素未謀面,但大家卻一直身處同一小船 上,更有可能是與你攜手創造未來的人。

我們也許無法知道下一秒會發生什麼事情,但絕 對有能力共創真善美。

明天就掌握在我們手中。讓我們一起把這四年的 大學生活,轉化成畢生的自信和卓越吧!

恭喜所有應屆畢業生!同時熱烈祝賀香港科技大 學成立30週年!謝謝!

#### Karen TONG Hoi Lam

Bachelor of Business Administration in Operations Management & Information Systems

Good afternoon, respected faculty members, parents and the amazing Class of 2021. It is my honour to be standing here on the stage, engaged in this reunion, and delivering my congregation speech to all of you.

I still remember how nervous I was on the first day of school, mostly due to the changes I was facing. Still, I was excited about having diverse choices of performing arts and athletics, going to lessons, lunching with friends, etc. I believe we all have a lot of wishes on how to enjoy our teenage years before entering the adult world. It seemed to go well for the first two years only, though.

Yet, what happened next was that we encountered a "thunderstorm"! Owing to all the uncertainties and irregularities, we had to re-adapt to a completely new school mode, to seek our dream job amid economic recession, and even to sustain a long-distance relationship with our friends and families.

It is certainly true that there were many challenges in the last 17 months, because of which we were pushed to grow up to face the many unprecedented events. While the teenage story did not end in a way we imagined, still we should hold on to new hopes for our next chapter of life. After all, in most cases, you don't choose to hold on because there is hope, you hold on so there is hope.

Though life hasn't returned to normality yet, I have held onto the hope for this reunion and I am glad to see you all face to face on this special day. I hope, in the end, the message that stands the test of time is that holding on to hopes and persistence will pay off. So, let's keep going together, you and me. Thank you.

#### 唐凱琳

工商管理學士(營運管理學及資訊系統學)

各位教職員工、家長和2021年各位應屆畢業生, 午安。我很榮幸學校給予我這個機會,讓我今天 能站在台上,與大家聚首一堂,發表我的畢業演 説。

還記得開學第一天,我懷著緊張而忐忑的心情踏 入這校園,準備面對接下來的各種轉變。儘管 如此,各種各樣的表演藝術和體育運動、上課時 的互動、與朋友共進午餐等經歷,都教我興奮莫 名。我相信各位畢業生和我一樣,當初對大學生 活充满了各種幻想和冀望,希望爭取在進入成人 世界之前,抓緊青春的尾巴,盡情享受仍然是學 生的時光。誰知快樂的光景就只有兩年而已。

我們大三時出現了前所未有的「風暴」!面對身 邊各種不明朗因素,我們要重新適應全新的學 習模式,在經濟不景氣下還要尋找人生第一份工 作,甚至要與我們的朋友和家人分隔兩地。

毋庸置疑,過去17個月確實存在許多挑戰,加速 了我們的成長,同時要我們面對許多前所未有的 事件。雖然青春的故事並沒有如想像那樣結束, 但我們仍然要對人生下一個篇章抱有新的希望。 畢竟在很多時候,我們不是因為看到希望才去堅 持,而是堅持了才有希望。

雖然生活還未恢復正常,但我一直對這次重聚充 滿糞盼。我很感恩,也很高興能在這個特別的日 子與大家面對面作出分享,共同迎接人生下一個 階段。讓我們一起繼續勇往直前,抱持希望、堅 持信念, 共勉之。謝謝。
